# THE WORLD AT WOFFORD

Wofford College, established in 1854, is a four-year, independent, residential liberal arts college located in Spartanburg, S.C. It offers a distinctive program with 25 major fields of study to a student body of 1,650 undergraduates.

Nationally known for the strength of its academic program, outstanding faculty, study abroad participation and successful graduates, Wofford ranks well in U.S. News & World Report, The Princeton Review, The Fiske Guide to College, Kiplinger's Personal Finance and the Open Doors Report on International Education Exchange, an organization that ranks Wofford #4 in the nation for study abroad participation.

Wofford has produced six Rhodes Scholars and is home to one of the nation's 283 Phi Beta Kappa chapters.

A leader in offering high-impact learning opportunities to students, Wofford encourages students to take advantage of all that Wofford, and through it the world, has to offer.

These opportunities include internships with scientific, corporate and non-profit organizations across the globe, undergraduate research opportunities, service-learning in the local community, international study abroad programming and a thriving host of co-curricular opportunities on campus.

One of those co-curricular offerings is the R. Michael James Fund, a student-managed and operated investment organization. The Space in the Mungo Center also prepares students for life after Wofford by offering professional development, career services and much more.

Student and residence life on campus include exciting Division I NCAA athletics, opportunities to participate in one of the college's Greek-letter fraternities or sororities, competitive intramurals, a diverse selection of clubs, student publications and a housing plan that helps students progress from first year through fourth in a close-knit community that builds independence. The residence life experience culminates in a final year in

The Village, beautiful, Charlestonian-style apartments designed to help transition students from college student to successful graduate.

Thanks to the generosity of alumnus and trustee Jerry Richardson '59, the Rosalind Sallenger Richardson Center for the Arts opened in May of 2017 and the Jerry Richardson Indoor Stadium to house new basketball and volleyball arenas opened in September of 2017. The new Greek Village was completed in the spring of 2016.

Additionally, a new state-of-the-art environmental studies building and Jerome Johnson Richardson Hall, a 150-bed residence hall, will open in the fall of 2020. Renovations to the library into an academic commons will be completed in the fall of 2019 and renovations to Burwell Dining Hall are expected to be completed in winter of 2021.

Wofford's entire 175-acre campus is a national arboretum, named the Roger Milliken Arboretum at Wofford College in honor of the late longtime trustee and benefactor.

Wofford offers distinctive learning opportunities that set it apart from other liberal arts colleges. A few of those high-impact educational experiences include:

**The Interim**, a January term that encourages students and faculty to explore new interests both on and off campus. A small sampling of on-campus programs include: Animal Cognition and Rat Basketball, Personal Finance, and Riding and Researching the Horse. Travel/study projects will take students to Australia, Cuba, China, Ireland, Germany, Japan and other sites around the world. Students also complete internships both locally and around the globe.

**The Bonner Scholar** program, a service-learning scholarship program that places deserving students in volunteer positions throughout the community.

**The Space in the Mungo Center**, a place where students can build upon their liberal arts education by adding professional skills desired by employers and graduate schools. The Space includes The Space to: Prepare (career services and professional development training); The Space to: Impact (a four-year scholarship program that empowers students to impact the world); The Space to: Launch (entrepreneurship support and competitions); The Space to: Consult (hands-on research, writing and problem-solving training within a consulting framework); and The Space to: Explore (in-depth global study).

**Environmental Studies** provides a creative and supportive learning environment that helps students pursue their goals in the field of sustainability. It operates both on Wofford's campus and at the college's Goodall Environmental Studies Center at Glendale, S.C. The property where the center is located borders 19 acres of protected green space along Lawson's Fork Creek.

**Neuroscience**, a program that allows students to examine the nervous system and its regulation of behavior through an experimental approach, is offered jointly by the Departments of Psychology and Biology.

**Computational Science**, a fast-growing in-

terdisciplinary field that is at the intersection of the sciences, computer science and mathematics, involves learning to store, retrieve, process and visualize massive amounts of information in web-accessed databases.

**The Creative Writing Concentration**, a program led by outstanding published faculty authors that provides additional opportunities for students to hone their creative writing skills, earn coveted prizes and become published writers. The Wofford Writers Series brings published writers to campus to augment the Creative Writing Concentration.

**The Presidential International Scholar** program offers an opportunity for an outstanding, intellectually gifted student to visit developing countries researching a specific academic area of interest. The student then returns to campus to share his or her ex-

periences.

**Presidential Seminar**, a weekly seminar for outstanding seniors hosted by Wofford President Nayef H. Samhat. Seminar participants explore interdisciplinary subjects of current significance. The college now has a similar program for juniors.

**Liberty Fellowship** is a two-year leadership experience for young citizens of South Carolina with exemplary promise for societal achievement. The Liberty Fellowship is housed at the college and offered in partnership with South Carolina businessman Hayne Hipp and the Aspen Institute.

Dating back to 1919 when Frank Ellerbee played baseball for the Washington Senators, Wofford alumni have made an impact in professional sports. From basketball to baseball to football, golf and soccer, Wofford alumni are making their marks in professional leagues.

William McGirt has earned over \$10 million on the PGA Tour since earning his card in 2011. He won the 2016 Memorial Tournament and has played in several majors, including the 2017 Masters. Forrest Lasso is playing professional soccer with FC Cincinnati in the MLS.

In basketball, Mike Lenzly was a member of the 2012 Great Britain Olympic Team. Additional Terriers who have played overseas recently include Noah Dahlman, Howard Wilkerson, Brad Loesing, Jamar Diggs, Lee Skinner, Karl Cochran, Spencer Collins, Justin Gordon, Eric Garcia and Cameron Jackson.

Wofford also has been well represented in minor league baseball. Brandon Waring, Michael Gilmartin, Alex Wilson, Luke Leftwich, Will Stillman, Matt Milburn, Spencer Kulman, Kody Ruedisili, Jacob-Condra Bogan and Adam Scott all were with teams in the last five seasons. John Cornely made his MLB debut with the Atlanta Braves in 2015.

# RUSSELL C. KING FIELD

A commitment in excess of \$1 million from a trustee and former Terrier baseball player made it possible for Wofford College to play its home games on campus again.

In May 2003, the Wofford Board of Trustees approved the \$1.8 million project, which bears the name of Russell C. King Field. The new field is located at the site of the former facility, Law Field, on campus. A past chairman, King served on the Wofford Board of Trustees for 25 years.

Russell C. King '56 made it possible for NCAA baseball to return to campus after an eight-year absence. Since beginning Division I play in 1996, Wofford had played its games off-campus at Duncan Park.

"Wofford has been envied and praised for the number of gathering spaces on our campus where students and faculty can interact," Wofford president Dr. Benjamin Dunlap said. "There could be no better springtime addition to that list than a handsome, centrally-located baseball facility — and that is what Russell C. King and other generous donors have made possible.

"As a sometime Yankee fan, it pains me that no one remembers King Kong Keller. But, as an ardent Terrier supporter, it gives me real satisfaction to know future generations will recognize the name of one of the best power hitters in Wofford's history. Russell King used to launch homers over the railroad tracks and, according to a legendary

account for which there are several purported eyewitnesses, one of his shots fell into a coal car and traveled all the way to Arizona — surely the longest home run on record!

"Russell C. King Field is as significant an addition to our campus as Russell himself was to Wofford baseball in the 1950s."

King, who passed away August 14, 2011, was part of a three generation family at Wofford that also includes an athletic

background. His father, Russell Calvin King '29, played baseball and football for the Terriers as did one of his four uncles who attended Wofford. King's son, Russell C. King, III '81, is also a Wofford graduate.

King was a stalwart on Wofford's baseball teams from 1953-56, he was a .338 career hitter who led the '56 team to a 14-4 record while leading the squad in home runs and RBIs.

"I've been a long-time advocate of bringing baseball back to campus," King said. "Back in my day, and in the future, a lot of students would come and watch at least part of the game. It was a good atmosphere and a place for students to gather.

"This will be a first-class facility and will have a significant impact on the beauty and activity for that corner of the Wofford campus. This is something I was prepared to do and wanted to do. It will help us attract some quality opponents and we'll be able to have some night games. As a former player, I'm excited about having a new field for our program."

Other components of the new facility include a major gift from Toccoa Switzer and her family for the construction of the seating area, which has 1,000 permanent seats located behind home plate. Grass banks behind each dugout bring total capacity to 2,500. A series of rocking chairs, overlooking the field, highlights the plaza area.

The Switzer family also has a long relationship with Wofford, spanning four generations. Toccoa Switzer is a former member of the Wofford Board of Trustees. Her late husband, James L. Switzer, Sr. '40, and his father, Dr. Paul K. Switzer '07 are Wofford graduates, as are her two sons, James L. Switzer, Jr. '80 and Dr. Paul K. Switzer, III '77. Toccoa's granddaughter, Lizzie Switzer '07, is also a graduate of Wofford.

"The Switzers made the first gift on the project," Dunlap said. "Without their generous support, Wofford baseball might have wandered in the alien corn a lot longer than it did. Long before 'Field of Dreams' made the thought a by-word, the Switzers were convinced that, if we built it, the springtime crowds would return to Wofford to enjoy an afternoon at the ballpark. Each season it is proven how right they were."

Over the past several seasons, various improvements have been made to the facility, including cutting out the base paths and adding railings in front of the dugouts. The most visible change was the addition in 2012 of an astroturf halo around the home plate area, which was expanded in 2018. The halo was made possible by family and friends in memory of Jason Derrick. Derrick was a pitcher for the Terriers from 1992-96 from Charleston, S.C. and passed away in 2008. In addition, the batting cages behind right field were renovated in 2016.

## RICHARDSON HALL

Named in honor of the donor for the project, the 150-bed residence hall will be located where Andrews Field House previously sat and will overlook the college's Russell King Field at Switzer Stadium, where the Terriers play baseball, and Snyder Field, the college's soccer field. The residence hall will house a variety of student activities facilities on its main floor, and will provide beautiful living, fellowship and study areas for students. Jerome Johnson Richardson Hall, opening Fall 2020, will be the first student housing built on Wofford's campus since 2011.

## LOCKER ROOM

After using locker room facilities in Andrews Fieldhouse since 2009, the Terriers will call Richardson Hall home in the fall of 2020. The baseball locker room will be located on the first floor. Office space for the coaches will also be in the building, along with a coaches locker room and laundry facilities. A spacious mud room and storage room is also include for the team.

# STRENGTH AND CONDITIONING

## ***THE JOE E. TAYLOR CENTER***

Wofford alumnus and former South Carolina Secretary of Commerce Joe Taylor donated \$1 million for the renovation of the Curry Building into the Joe E. Taylor Athletic Center. The Taylor Center features a 7,000 square foot weight room and offices for athletic department staff. The building, located next to Gibbs Stadium, was completed in June of 2009.

The weight room facility is equipped with a total of 24 racks with built-in pull-up bars and nearly 25,000 pounds of plates, dumbbells and olympic weights. The 24 racks are divided, with twelve used with platforms and twelve used with benches. Additional equipment includes four pulldown machines, four low row machines, five power runners, six glute/ham machines, two decline ab machines, a leg press and exercise bike. Also included is a large area of Mondo track flooring, which is used with the step-up boxes, plyo boxes and hurdle sets in speed development.

The Taylor Center also provides offices for administration and numerous sports, including women's soccer, men's and women's golf, men's and women's tennis and cross country and track and field. A conference room and several work areas give the coaching staff much needed space.

## ***MISSION STATEMENT***

The aim of the Wofford College Strength and Conditioning Department is to allow every student-athlete the best training opportunity with proper instruction and program implementation to create progressive gains in strength, speed, fitness levels, mobility and body composition over the tenure of the athletic career. This will be achieved through a created culture consumed with hard work, discipline, commitment, and knowledge of the craft of training in a highly competitive environment.

## ***THE PHILOSOPHY***

The Strength and Conditioning Program consists of prescribed training based on sport specific demands with a great emphasis on properly executing movement patterns and training within the assigned threshold to optimize abilities and capabilities. Keys to this are:

- Evaluation and Assessment
- Individual Needs / Sport Specificity
- Weight Training Movements
- Running Prescription
- Plyometric Training
- Student-Athlete Health
- Recovery and Restoration
- Training Culture

## THE RICHARDSON BUILDING

The home of the Wofford College Athletic Department since 1996 is the Richardson Physical Activities Building. The facility includes offices for the administration, football, baseball and other sports on the second floor. Also included on the second floor is an aerobic dance room, team meeting room, racquetball courts and a student-athlete lounge. Locker rooms for football, men's and women's cross country/track and field, men's and women's soccer and a training room are located on the first floor.

Wofford alumnus Jerry Richardson made donations in 2008 and 2018 that were used for enhancing the Richardson Building. Numerous improvements were made in the facility to ensure that it is one of the most advanced athletic facilities in the nation.

The most recent renovations to the building include a 1,200 square foot addition to house a new state of the art hydrotherapy suite which includes a Hydroworx aquatic therapy pool with underwater treadmill. The existing training room was relocated to adjoin the new hydrotherapy suite, which results in a much-needed increased size for the new training room. Supporting the training area are three staff offices, exam room, and state-of-the-art x-ray room. The new team meeting room is equipped with the latest video technology and a media backdrop for postgame press conferences.

The existing football locker room was expanded and upgraded. The upgrades included new paint, carpet, ceilings, and lighting. The equipment room has been reconfigured, and a new high-density storage system was purchased to increase capacity and improve efficiency in the handling of equipment. In addition to the visible improvements a new supplemental mechanical unit to control moisture and improve indoor air quality was installed, along with new HVAC controls in the entire building.

With the campus fitness center relocated to the Benjamin Johnson Arena, renovations were also made to the second floor. A second team meeting room was created with sliding glass walls to provide flexibility for a variety of uses. A student-athlete lounge was built near the racquetball courts which includes two 70-inch monitors.

The building also includes the Harley Room, a large multipurpose area overlooking Gibbs Stadium. The area hosts a wide variety of campus events during the year. On the patio, a sculpture of Jerry Richardson was dedicated on May 12, 2014 to honor him and recognize the 20th anniversary of the Carolina Panthers summer training camp being held on campus. The sculpture, created by noted California artist Todd Andrews, depicts Richardson seeming to be ready to walk over to Gibbs Stadium to watch the Terriers – for which he also played – take on the next worthy opponent.

# RICHARDSON INDOOR STADIUM

## ***RICHARDSON INDOOR STADIUM***

A new era at Wofford began in 2018 with the opening of the Jerry Richardson Indoor Stadium. The new home of basketball and volleyball is adjacent to the north end of Gibbs Stadium, where the Terriers play football.

Wofford alumnus and trustee Jerry Richardson, Class of 1959, provided the gift to fund the facility that includes a 3,400-seat basketball arena and a 350-seat volleyball competition venue as well as offices, locker rooms, meeting rooms, training rooms and special fan areas, including several open-air suites. The facility replaces Benjamin Johnson Arena, which will continue to be used as a first-rate gymnasium for intramural and campus recreational activities.

The facility has already been able to attract top opponents for the basketball teams, including South Carolina, North Carolina, Harvard and Georgia Tech.

The Jerry Richardson Indoor Stadium also has a seating capacity for non-athletics functions, such as commencement and concerts, of 4,500. The facility includes "Club 51" for club seat holders, the "Boneyard" lounge in the student section, state of the art sound system and acoustical design, along with electronic charging stations throughout the building.

## ***BENJAMIN JOHNSON ARENA***

When the campus community bid farewell to the Benjamin Johnson Arena as the home of Wofford basketball and volleyball in 2017, it created new possibilities for student recreation and wellness. The renovated Benjamin Johnson Arena student fitness center opened in January of 2018.

"The Benjamin Johnson Arena, which opened in 1981, holds a lot of history for Wofford College, and we're glad we are able to continue to use the facility as a larger, better fitness center for our students, faculty and staff," President Nayef Samhat says. "The addition of the new Jerry Richardson Indoor Stadium provides us with this terrific opportunity to give our community a place in the Benjamin Johnson Arena to exercise both their bodies and their minds."

The lower level of the arena (once basketball and volleyball courts and bleachers) houses a new multi-sport playing surface with three courts. A walking track surrounds the perimeter of the courts. The locker rooms were completely renovated. The concourse areas have become the new student fitness center with the installation of a variety of equipment and machines.

The east concourse has weight equipment, including free weights, benches and machines. The other concourse has cardio equipment, including treadmills, stationary bikes and elliptical machines. The concourses also have open locker storage and new audio-visual equipment.

In addition to the fitness activities, Benjamin Johnson Arena is home of a comprehensive intramural, recreation, and club sports programs that encompass team sports, individual sports, fitness classes, club sports, as well as various other programs. Highlights include intramural basketball and softball, equestrian club, men's club lacrosse, club ultimate frisbee and an outdoors club.

The arena is named after Benjamin O. Johnson '30 who was a Spartanburg textile executive associated with Spartan Mills. Mr. Johnson was also a trustee of Wofford College as well as a benefactor. Wofford moved into the Benjamin Johnson Arena in 1981 after playing in adjacent Andrews Field House for 50 years. The \$4.5 million arena is part of the Campus Life Building, which was designed to serve as the center of athletic, social and cultural activity on campus.

The first men's basketball contest was held on January 22, 1981, as The Citadel scored a 65-64 win over Wofford. The Terriers first win in the arena was on January 26, 1981. The men had an overall record of 334-131 in 37 seasons in the facility.

The Wofford women's basketball team fielded its first varsity team in the 1980-81 season, moving into Benjamin Johnson Arena in 1981 after playing in Andrews Fieldhouse for the first half of the season. The first women's basketball game was held on January 22, 1981, with Wofford defeating Sacred Heart 74-25.

# WOFFORD TRADITIONS

## THE EARLY YEARS

The first baseball team at Wofford took the field in 1889 under the direction of Professor Marshall, however there is evidence of a team representing the College playing Furman in 1885. In 1896, the Wofford team took on South Carolina and won 18-6. Wofford pitcher Gus Chrietzburg struck out 19 batters against Wake Forest that season as well. In 1899, the team was undefeated with wins over Clemson, South Carolina, Furman, Citadel, Erskine and College of Charleston.

## MARK LINE

One of the winningest coaches in Wofford baseball history is Mark Line. He served as head coach from 1985 to 1994, posting a career record of 204-157 for a .564 winning percentage. He was named NAIA District VI Coach of the Year in 1987. In 1990, the Terriers won 30 games for the first time in school history. He currently is the Deputy Athletic Director at Wofford.

## FIVE DAYS IN MAY

In 2007, the Terriers pulled off one of the most amazing runs in conference tournament history as they entered as the ninth seed. A 5-3 play-in game victory against Furman led to a 19-6 shellacking of the top seed, the College of Charleston on Wednesday. Thursday's 12-5 win over UNC Greensboro put Wofford in the winner's bracket. The result, a 6-2 win over The Citadel and a rematch in the championship game. Pitching on two days rest, Austin Redwine limited The Citadel to one run and four hits over nearly seven innings of work to give Wofford the 4-2 victory and the 2007 Championship.

## NCAA TOURNAMENT

The Terriers made their first appearance in the NCAA Baseball Tournament during the 2007 season. Sent to the Columbia Regional, Wofford faced South Carolina in the first game and North Carolina State in the second game.

## BRANDON WARING

Brandon Waring had one of the best single-season performances of any Terriers in 2007. He set a school record with 27 home runs, which was second in the nation. In the Southern Conference Tournament, he earned MVP honors. An All-Southern Conference first team selection, he was

also a first team All-American by the ABCA, *Baseball America* and *Collegiate Baseball*. Waring was a semifinalist for the Brooks Wallace Award. He was selected in the MLB Draft by the Reds and has spent the last three seasons in the Baltimore O's organization. He signed as a free agent with the Minnesota Twins for the 2014 season.

## TERRIERS

Wofford's nickname dates back to the early 1910's when Professor E.H. Shuler recalled seeing a terrier named Jack at Wofford baseball games. A cartoon showing a Jack-like dog doing gymnastics appeared in a Wofford Journal about the same time. By 1914, the nickname Terrier was firmly established for the college's athletic teams. Wofford has had a number of real life mascots including Spike in the mid-50s and Jocko in the early 1960s. Most Wofford Terriers have been Boston Terriers which have a smooth black coat with white markings on the face, neck, chest, legs and feet. They usually pack a muscular 20 pounds on a foot-high frame.

## BEN WOFFORD

Born on October 19, 1780, Benjamin Wofford rode a Methodist circuit as a lay exhorter in 1806 and 1807 in western Kentucky, but soon returned to South Carolina in that year to marry Anna Todd. With the death of her father in 1809, he inherited control of the Todd family farm in the southern part of Spartanburg County. Ordained in 1814, he served as an itinerant for only three years. A year after the death of Anna Todd Wofford in 1835, he married Maria Barron. His business interests and their diminished enthusiasm for rural life led them to move to the village, at the corner of present-day Magnolia and St. John Streets. There he continued to invest conservatively and live simply until his death on December 2, 1850.

Wofford's will provided \$100,000 for the establishment of a college for literary, classical, and scientific education in Spartanburg, to be under the control and management of the state's Methodist Conference. Within four years of Benjamin Wofford's death, the trustees he named took the money he bequeathed, secured a charter, bought land, built a college and five houses for professors, hired a faculty, and opened its doors.

## THE CAROLINA PANTHERS

The Carolina Panthers have held training camp at Wofford since their inaugural season in 1995. The camp provides Wofford tremendous national exposure and visibility. Media members that visit Wofford during the camp include ESPN, Fox Sports, NFL Network, *USA Today* and *Sports Illustrated*. Local print and television media from markets including Columbia, Charlotte, Raleigh/Durham/Chapel Hill, Asheville and Greensboro/Winston-Salem are on campus on a daily basis.

According to SI.com's Tim Layden, "as I like to think of it: Training Camp Heaven. Wofford is 70 miles west of Charlotte on I-85, and presents all the reasons why there is something special about taking the team on the road for camp. Three pristine, Bermuda-grass fields with a stand of tall pines on two sides and a terraced hillside -- where fans sit and watch -- on another. Fans, many of them young boys and girls, lined up along the fence, getting autographs after practice. It's a scene straight out of football's past."

## THE TERRIER SCULPTURE

A sculpture of a Terrier was unveiled on March 25, 2008 outside of the Student Life Building as a gift to Wofford College from the Class of 1956. The following is the text of an address given by Talmage Boyd Skinner, Jr., 1956, Chaplain Emeritus of Wofford College on the dedication.

The mascot of a college should, in large measure, represent the character of the place. In this Palmetto State, we are surrounded by a bevy of mascots. There are Gamecocks and Tigers, Bulldogs and a Rooster named Chanticleer, Indians, Paladins, Cougars, Valkyries, and one school has a sock for an ensign. There are Trojans, Pioneers, and Spartans, and various Cats and feathered creatures. In all the land, only two other schools are Terriers. Some will laugh when we affirm that we are the only true Terriers. Some chuckle when we are audacious enough to claim to be unique and even superior in so many aspects of being a college. The most arrogant of us will admit that there are many good colleges. We have even tried to copy some. I have always been a bit uncomfortable when we talk of another school being a – "flagship" that we need to emulate. Hey! We ARE the flagship! Forgive the pride of some old guys who have loved this little school for over half a century. Yes, we did not come to Wofford just to purchase an education; we joined Wofford. We were adopted into the family with a bond that cannot be broken. Many colleges claim to be family. We truly are.

Ours is a bond of shared experience hammered out on the playing fields against foes our size and those with more students than we have living alumni. It does not stop with athletics. The term "student athlete" has authenticity at Wofford. The bond is from a shared academic experience that is not content just to pass on so-called facts, but prepares students to think and to continue to grow. The "proof of the pudding" is in the doctors, lawyers, college presidents and professors, teachers, coaches, leaders in business and service - even in the ministry of the Church. A bond is created in the experience of the arts - the theater program, choral music, strings. One thing we lack - a band - not just the band class that plays well once or twice a year, but a BAND for spirit and musical experience. A bond is created through service programs and the physical arts witnessed by so many exhibitions on campus. Not the least is a religious life program that is open and tolerant, that walks with students seeking answers and helps them first learn to ask questions.

We, the Class of 1956 present this Terrier to our college as a symbol of Wofford Spirit in all aspects of this place like no other. We want to add to the tradition of this sacred ground. We want to remind the present Wofford that there is a past on which she stands and remind all of us that it all will be forgotten if we do not have a vision for the future. Our goal should be deeper than the usual quest for reputation, wealth, and prestige. Dr. Dunlap has always called Wofford a "kingdom of the just." May that ever be our watchword. It may be a simple, unsophisticated phrase, but we are called not to be powerful, but good. As the prophet Micah said, "What does the Lord require of you but to do justice and to love kindness and to walk humbly with your God."

The Class of 1956 proudly and humbly presents this physical representation of the Spirit of Wofford College and all those members of our family who ever lived or presently live on the "City's Northern Border," and all who are yet to dwell in the shadow of the Twin Towers.

The pitching staff posted an ERA of 4.27, which ranked fourth in the SoCon and was the lowest for the Terriers since 1983. The 492 strikeouts for the staff were the third-most in school history.

During the 2018 season the team posted a 36-23 overall record, the second-most wins in school history. In Southern Conference play, the Terriers were 15-9 to finish third overall and set a new school record for league wins. The pitching staff had an ERA of 4.95 to rank fourth in the SoCon and the 454 strikeouts also ranked fourth. One key to the success of the staff was senior Adam Scott, who was drafted in the 4th round (133rd overall) by the Cleveland Indians. Scott set a new school record with 137 strikeouts (first in the SoCon) in 103.1 innings. He posted a 3.14 ERA and issued only 18 walks on the way to being named All-Southern Conference second team. For his career, he set school records with 364.2 innings pitched and 389 career strikeouts, while ranking second in school history with 26 wins. Scott is ranked third in SoCon history with 389 strikeouts.

In his first year with the Terriers the team won 28 games overall and were 13-11 in the Southern Conference, the second winning season in league play in school history. He led the pitching staff to an ERA of 5.42, which was ranked fifth in the Southern Conference, and 403 strikeouts. Adam Scott was third in the league in strikeouts with 108, the third most in a single season in school history. Spencer Kulman led the team in wins with eight and signed a free agent contract with the San Diego Padres. Matt Ellmyer was named to the Southern Conference All-Freshman Team.

Cutler-Voltz was a vital member of the Skyhawks' vast improvement in 2015 and 2016 as UT Martin amassed 18 Ohio Valley Conference wins. The Skyhawks won 19 games in 2016 (the most for the program since 2011), one year after notching their first win over a ranked opponent since 2009 with a 6-2 win over No. 15 Missouri State on April 7, 2015.

During the 2016 season, Cutler-Voltz's pitching staff struck out 369 batters, setting a new program record. He worked with Alex Evans, who accounted for eight wins in 2016. Cutler-Voltz also coached Patrick Bernard, the program's all-time saves leader, and Jackson Zarubin who signed as a free agent with the Los Angeles Angels.

In 2015, Cutler-Voltz coached Dillon Symon, who became only the fourth pitcher in school history to earn OVC All-Freshman accolades and Bernard, who set the program's single season and career record for saves with eight.

Prior to his appointment at UT Martin, Cutler-Voltz spent two seasons as a volunteer assistant at his alma mater, VCU. He took over the day-to-day pitching operations

The Southern Conference, which is in its 99th season of intercollegiate competition in 2019-20, is a national leader in emphasizing the development of the student-athlete and in helping to build lifelong leaders and role models.

The Southern Conference has been on the forefront of innovation and originality in developing creative solutions to address issues facing intercollegiate athletics. From establishing the first postseason college basketball tournament (1921), to tackling the issue of freshman eligibility (1922), to developing women's championships (1984), to becoming the first conference to install the 3-point goal in basketball (1980), the Southern Conference has been a pioneer.

The Southern Conference is the nation's fifth-oldest NCAA Division I collegiate athletic association. Only the Big Ten (1896), the Missouri Valley (1907), the Pac-12 (1915) and the Southwestern Athletic (1920) conferences are older in terms of origination.

Academic excellence has been a major part of the Southern Conference's tradition. Hundreds of Southern Conference student-athletes have been recognized on CoSIDA Academic All-America and all-district teams. A total of 20 Rhodes Scholarship winners have been selected from conference institutions, most recently in 2012-13, when former Wofford volleyball player Rachel Woodlee earned the prestigious award.

The conference currently consists of 10 members in six states throughout the Southeast and sponsors 22 varsity sports and championships that produce participants for NCAA Division I Championships. The league added rifle, becoming just the second Division I conference to sponsor the sport, in 2016-17, and added women's lacrosse for the 2017-18 campaign.

The Southern Conference offices are located in the historic Beaumont Mill in Spartanburg, S.C. A textile mill that was in operation from 1880 until 1999, Beaumont Mill was renovated in 2004 and today offers the league first-class meeting areas and offices as well as a spacious library for storage of the conference's historical documents.

#### MEMBERSHIP HISTORY

On Feb. 25, 1921, representatives from 14 of the Southern Intercollegiate Athletic Association's (SIAA) 30 members met at Atlanta's Piedmont Hotel to establish the Southern Intercollegiate Conference. On hand at the inaugural meeting were officials from Alabama, Alabama Polytechnic Institute (Auburn), Clemson, Georgia, Georgia School of Technology (Georgia Tech), Kentucky, Maryland, Mississippi A&M (Mississippi State), North Carolina, North Carolina State, Tennessee, Virginia, Virginia Polytechnic Institute (Virginia Tech) and Washington & Lee.

Dr. S.V. Sanford of Georgia was chosen as acting chairman and N.W. Dougherty of Tennessee was named secretary. The decision to form a new athletic conference was motivated by the desire to have a workable number of conference games for each league member. With 30 schools in the SIAA by the early 1920s, it was impossible to play every school at least once during the regular season and many schools went several years between playing some conference members. In addition, in 1920, the SIAA voted down proposed rules that an athlete must be in a college a year before playing on its teams and refused to abolish a rule permitting athletes to play summer baseball for money.

Play began in the fall of 1921, and a year later, six more schools joined the fledgling league, including Tulane (which had attended the inaugural meeting but had elected not to join), Florida, Louisiana (LSU), Mississippi, South Carolina and Vanderbilt. VMI joined in 1925 and Duke was added in 1929.

By the 1930s, membership in the Southern Conference had reached 23 schools. C.P. "Sally" Miles of Virginia Tech, president of the Southern Conference, called the annual league meeting to order on Dec. 9, 1932, at the Farragut Hotel in Knoxville, Tenn. Georgia's Dr. Sanford announced that 13 institutions west and south of the Appalachian Mountains were reorganizing as the Southeastern Conference. Members of the new league included Alabama, Alabama Polytechnic Institute, Florida, Georgia, Georgia School of Technology, Kentucky, Louisiana, Mississippi, Mississippi A&M, University of the South, Tennessee, Tulane and Vanderbilt.

According to the minutes of the meeting, Dr. Sanford stated that the division was made along geographical lines. Florida's Dr. J.J. Tigert, acting as spokesman for the withdrawing group, regretted the move but believed it was necessary as the Southern Conference had grown too large. The resignations

were accepted and the withdrawing schools formed the new league, which began play in 1933.

The Southern Conference continued with membership of 10 institutions, including Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina, Virginia, VMI, Virginia Tech and Washington & Lee.

The second major shift occurred some 20 years later. By 1952, the Southern Conference included 17 colleges and universities. Another split occurred when seven schools – Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest – departed to form the Atlantic Coast Conference, which began play in 1953. The revamped Southern Conference included members The Citadel, Davidson, Furman, George Washington, Richmond, VMI, Virginia Tech, Washington & Lee, West Virginia and William & Mary.

A third major shift occurred in 2012-13, when five members announced their departures and three schools were added. College of Charleston announced its decision to leave for the Colonial Athletic Association following the 2012-13 season, while Appalachian State (Sun Belt), Davidson (Atlantic 10), Elon (Colonial) and Georgia Southern (Sun Belt) announced they would depart following the 2013-14 campaign. At the Southern Conference's 2013 spring meetings in Hilton Head Island, S.C., the league officially extended invitations to former members ETSU and VMI, as well as Mercer, to join the league for the 2014-15 academic year.

Today, the league continues to thrive with a membership that includes 10 institutions and a footprint that spans six states: Alabama, Georgia, North Carolina, South Carolina, Tennessee and Virginia. Current league members are The Citadel, ETSU, Furman, Mercer, UNCG, Samford, Chattanooga, VMI, Western Carolina and Wofford.

## FOOTBALL

The Southern Conference has also excelled as the premier Football Championship Subdivision (FCS) conference. Former Southern Conference member Appalachian State won the three consecutive FCS titles from 2005-07, becoming the first team to do so. The league boasts more than 250 players who have garnered All-America recognition and numerous national player or coach of the year awards. The conference had at least one team in the top 10 of the final FCS poll for 28 consecutive years

(1985-2012), with at least two teams finishing in the final poll in every season from 1982-2013. Two SoCon teams – ETSU and Wofford – finished in the top 25 in 2018.

The conference has placed multiple representatives in the FCS Playoffs in 30 of 35 seasons, with 16 championship game appearances and eight national titles.

*Wofford won the 2003, 2007, 2010, 2012, 2017, 2018 and 2019 SoCon Football Championships.*

*Wofford won the 2013 Men's Soccer Regular Season Championship.*

# THE HUB CITY

The City's origins predate the Revolutionary War. Spartanburg was named for a unit of American Revolution forces called the "Spartan Rifles" who helped defeat the British at the Battle of Cowpens in 1781, under the leadership of General Daniel Morgan.

The town of Spartanburg was incorporated in 1831 and later as a city in 1880 by the 13 Original States and Tennessee. During this time Spartanburg was booming due in large part to the rapidly expanding textile industry.

In the 1870s, Spartanburg became a railroad "hub city," with mainline railroads extending from Magnolia Street depot in all directions, taking passengers and freight to Charleston, Augusta, Atlanta, Asheville, Charlotte and points beyond. As many as 90 trains per day could be seen and heard operating in Spartanburg during the golden age of the American railroad, 1900-20.

During the 1920s, Spartanburg built South Carolina's first municipal airport and claimed the state's first commercial radio station (WSPA). Its leadership in the state was reflected by the election of several residents as governor.

Thousands of U.S. soldiers bound for overseas service in World Wars I and II trained at camps in Spartanburg. The post headquarters for Camp Wadsworth (1917-19) was located at the present site of WestGate Mall, and the Camp Croft (1940-45) was located south of the city.

Much of that military reservation has become Croft State Park.

After World War II, Spartanburg made a concerted effort to promote its location at the junction of Interstates 85 and 26 to international business. One of the greatest successes of this campaign was the development of the BMW manufacturing center near the Greenville-Spartanburg Airport.

Spartanburg's downtown, which always has been anchored by the campuses of Wofford and Converse Colleges, has been undergoing a major revival since the mid-1990s. In addition to the corporate headquarters for Denny's, Advance America, QS-1 and several other companies, the city has acquired a magnificent public library, the Marriott Hotel at Renaissance Park and most recently, the Chapman Arts Center and the USC Upstate George Dean Johnson School of Business. The area surrounding Morgan Square gradually is redeveloping with a variety of interesting restaurants and urban apartment-style housing.

Throughout the 20th century, textile manufacturing

companies formed the backbone of the Spartanburg economy. The most significant of these companies still in operation is internationally respected Milliken & Company.

Blessed by geography and climate as well as by energetic and well-educated citizenry, Spartanburg is emerging as one of the centers of a 21st century metroplex that extends along the South Carolina portion of

# WOFFORD ATHLETICS HALL OF FAME

Recognizing the value of athletics to Wofford College and the American way of life, the Terrier Club established a policy of administering and sustaining the Wofford College Athletic Hall of Fame.

The purpose of the Hall of Fame is to honor those who, by outstanding athletic achievement and service, have made lasting and significant contributions to the cause of sports at Wofford College, the Spartanburg community, South Carolina and the Nation.

Any Wofford College Graduate who received a letter from the Wofford College Athletic Department is eligible for selection to the Hall of Fame five (5) years after completion of eligibility.

At the end of the last academic year, there were approximately 2,000 four-year colleges in the United States. Only 262 of them have the right to induct their graduates into Phi Beta Kappa, the nation's most prestigious liberal arts honor society. There are five independent Phi Beta Kappa colleges and universities in the Carolinas: Wofford, Davidson, Duke, Furman and Wake Forest.

Founded at the College of William and Mary in December 1776, Phi Beta Kappa was the first of the Greek letter fraternities and adopted such rituals as the badge, the secret oath, and the special handclasp from the various secret societies of the day.

Phi Beta Kappa, however, was also devoted to the principles of "friendship, morality, and literature (or learning)," and these characteristics gradually attained the greatest emphasis. John Quincy Adams, Edward Everett and Joseph Story, members of the Harvard chapter, are credited with making the fraternity a public literary and honor society for undergraduates in the 1830's. Women were first admitted to Phi Beta Kappa in 1875 at the University of Vermont.

Wofford received its chapter at the 1940 triennial meeting, bringing to fruition more than ten years of work by three Phi Beta Kappa members who were then serving on the faculty: President Henry Nelson Snyder, Dr. David Duncan Wallace, class of 1894, and Dr. John West Harris '16, a brash and brilliant young English professor not afraid to campaign vigorously in the conviction that his alma mater deserved membership. (Dr. Harris later founded the National Beta Club, which still has its headquarters in Spartanburg).

With about 350,000 members across the country, Phi Beta Kappa today sponsors numerous programs to encourage scholarship and learning, including the Phi Beta Kappa Book Awards and the visiting scholar, academic fellowship and leadership programs.

For these reasons, Phi Beta Kappa Day at Wofford has institutional significance, as well as being especially memorable for the new members, each of whom will receive the traditional Phi Beta Kappa watch key or pin.

**David Roney '12 is one of a number of Wofford baseball student-athletes who have earned membership in Phi Beta Kappa**
